15. Each party further agrees not to use the name of the other Party or any director, office, faculty member, inventor, employee or student or any trademark, service mark, trade name, copyright or symbol of the other Party, without the prior written consent of the other Party, entity or person whose name is sought to be used.

16. The provisions of this Agreement are severable, and in the event that any provision of this Agreement is determined to be invalid or unenforceable under any controlling body of the law, such invalidity or unenforceability will not in any way affect the validity or enforceability of the remaining provisions hereof.
